These arrangements are (i) Except for the capital cost of residential buildings which bears dividend at 3.5 per cent, Railways pay dividend at 4 per cent on entire dividend-paying capital irrespective of the year of investment (inclusive of 1.5 per cent on dividend bearing capital, less subsidy capital invested upto 31.3.1964, for payment to States in lieu of passenger fares tax), (ii) The Railways do not pay dividend on capital in respect of: (a) Strategic Lines, (b) Un-remunerative branch lines, the exemption of a particular branch line from payment of dividend on capital is based on annual review of the remunerativeness of the line, the remunerativeness being determined on the basis of the 'marginal cost' principle, (c) Ferries, welfare buildings (hospitals, dispensaries, health units, clubs, institutes, schools and colleges, hostels and other welfare centres) and non-strategic portion of the North-East Frontier Railways, (d) Ore lines (Kiriburu-Bimlagarh and Sambhalpur-Titlagarh lines which involve concessional rates of freight for the carriage of ore) provided that they are not remunerative the remunerativeness being determined on the basis of the marginal cost principle, (e) 28 new lines taken up on or after 1st April, 1955 on other than financial considerations except those which become remunerative during the year adopting the marginal cost principle. This arrangement applies also to Jammu-Kathua and Tirunelveli-Trivandrum-Kanyakumari lines, which are known as national investments, (f) The gauge conversion works have taken up on strategic consideration, (g) 50 per cent of the outlay in a year on capital works-in-progress (which would otherwise be liable to payment of dividend) is exempted from payment of dividend for a period three years. The above dividend concessions are provided to Railways in the form of subsidy from General Revenues. (iii) The losses on strategic lines till 2005-06 were netted from dividend payable. However, from 2006-07, these losses are being reimbursed through provision under the Demand of Department of Economic Affairs, (iv) In years in which the net revenue of the Railways is not adequate to meet the current dividend liability, the shortfall in the payment of the current dividend is treated as deferred dividend liability (on which no interest is charged) to be discharged by Railways from surplus in future years. (v) Based on the principles mentioned above, the estimates of dividend payable by Railways for Revised Estimates 2015-16 and Budget Estimates 2016-17 have been worked out. (vi) Out of the 1.5 per cent dividend paid by the Railways on the pre-1964-65 capital an amount of ₹ 23.12 crore is contributed by the Railways for being passed on to the States as grant in lieu of the repealed tax on railway passenger fares and the balance which hitherto was contributed to the Railway Safety Works Fund, is from 2001-2002, credited to the Railway Safety Fund directly by the Railways with the approval of Ministry of Finance and the RCC.
